The online entry asks for a Club Code and the letters **TMA** are suggested.

**There are currently numerous online entrants who have not paid their entry fees to Alvin.**

### **VENUES WEST AMA CHAMPIONSHIPS PERTH 2018**

Closing date for entries is approaching fast. These Championships are scheduled for Perth, WA from 26 to 29 April 2018. We usually have a strong contingent of TMA members so please get your entry in soon.

### **WHO SHOULD ENTER CHAMPIONSHIPS ?**

This is a question often asked by regular Wednesday night competitors in both the North and South of the State.

Really, all regular competitors are more than able to compete with distinction in State or National Masters Championships.

Medallions are awarded in 5 year age groups for both men and women from 30 yo right through to 90 + yo.

So, if you run distance, sprint, throw or jump on a Wednesday night then you are more than capable of being part of the friendly action at the Championships.

### **NEW TMA WEBSITE**

We have been planning a new website for some time and are now getting close to the website going live.

It is likely that the current web address will not change but the site will look very different.

The new site will make it easier to join or renew your membership, present TMA in a much more professional way and also promote events much better.

Keep an eye out over the next week or so to see if the new site has gone live!
